

## Lititz Lions Club

Dear Potential Lititz Lion:

When you join the Lititz Lions Club, you will be part of the largest service organization in the world ... more than 1,300,000 members in over 190 countries. Lions are united with the following goals: prevention and treatment of blindness and hearing impairment, both locally and throughout the world; responding to natural disasters; and providing funding for worthy causes within our home communities.

The Lititz Lions Club currently boasts a membership of over 60 men and women who pride themselves in active service to others. Some of our events are strictly fund raisers so we can meet our stated goals. Other events provide meaningful activities for area residents and children. Here are a few of our sponsored annual events ...

A monthly newsletter provides information about the local club and the Lions Magazine keeps you up to date on world-wide Lions events.

*Membership is by invitation only!* You will be sponsored by a current active member who will invite you to a regular meeting and lead you through the application process. There is currently a \$25 entrance fee and dues are \$30 every 6 months to maintain active status within our club and with Lions International.
